Angelchain of light

Instructions No. 2027

Difficulty: Beginner

Working time: 2 Hours

With a few steps and materials you can create this enchanting **angel light chain**. It sparkles so beautifully in the dark season and is a great decoration for your home. Whether on a cupboard, in the window or on the chest of drawers - the light chain cuts a good figure everywhere.

This is how the angel light chain is made:

Load and print out the **motif template** and transfer the template 10x onto the **film** with a pencil or line-ex pencil. Then cut it out

At the incisions you can put the angels into each other. Fix them there with a small piece of double-sided Adhesive tape.

Put an angel on each lamp of the fairy lights and fix it with a blob of **hot glue**.

Must Have

VBS Star foil "Magic Star Glitter"

Length: 100 cm
Width: 50 cm
Thickness: 0.2 mm
Material: Plastic

3,99 € (1 m2 = 7,98 €)
