Skyline Wandbord im Landhaus-Stil

Instructions No. 990

Difficulty: Advanced

Working time: 45 Minutes

You can use this wall shelf in many different ways. Whether as the classic Cloakroom rails, in the bathroom for your towels or, as here, in the garden to hang up small utensils decoratively or to arrange your tools neatly. Use this decorative shelf exactly as you need it.

And it's as simple as this:

Decorate the wall shelf in white and let it dry. Cut the motif from Napkin and stick it onto the shelf using Napkin varnish . Fix the Jute-Cord with hot glue in layers on the roofs of the houses. Attach a jute cord to the board as suspension.
