Variant I

Put the Advent numbers "Kanata" on the different Acrylic balls ones. Now you can wrap Crêpepaper small gifts or sweets in them and put them into the ball. If you like you can now add some glitter.

Variant II

In this variant, fill the ball with small items as in the first example. Stick relief Advent numbers stickers either directly onto the sphere or onto stars that have been punched out in black beforehand. Then attach a decorative string to hang the balls.

Variant III

In the third variant is used instead Crêpepaper Silk paper of red and green. Finally you can stick the relief stickers directly onto the ball or onto the punched out stars in red or green.
