

Anleitung für eine Tischleuchte mit Herz

Instructions No. 384

Decorative lighting of a different kind! With dimmed light for a romantic atmosphere..

It's that simple

The **Stretched Canvas** with the Paint sponge with Acrylic paint in cadmium **prime** Yellow , after drying with Ivory by **wiping, brighten up** Moisten the Paint sponge and wipe over the Stretched Canvas with a little Madder Red and Black . For excessive paint application, wipe with clear water.

The **Stencil** place and first of all nudge with pure squares. Yellow . For an overlapping pattern apply Stencil several times. Then continue with Madder Red and let it dry.

Prime the **napkin stand** in Madder Red . After drying, drill a 10mm hole in the middle of both holding plates **Lamp foil** cut it to the right size of the Stretched Canvas and glue it from behind to the Stretched Canvas . Leave cut-outs free for the holes.

Now glue the Stretched Canvas against each other on the holding plate of the napkin holder. Put the **fairy lights** in equal parts through the hole.
