🕒 Working time: 20 Minutes

Designed with cork accessories and lace, this Christmassy fir wreath is certainly an eye-catcher. Perfect for the entrance door.

And this is how it is done

- Split Jute yarn and pull it through the **buttons**. Wrap these around the wreath first.
- At the upper end of the wreath, attach another Jute ribbon as **hangers-Ribbon** and tie a loop from Lace ribbon to the hanger-Jute ribbon.
- Glue the cork stars and the deer or other decorative accessories **onto the** wreath with hot glue according to your personal taste.
- Apply some **decorative snow** to the fir branches with a Bristle brushes , the door wreath will get a wintry look.
