Anleitung: Sommerliche Papiergarn-Teelichte

Instructions No. 1314

With only little effort you can crochet summer tealights with the help of this instruction and withpaper yarn.

Here's how it's done

In the 1st round 19 stitches are crocheted to an**air ring** , closed with a warp stitch to the round.

The Wind light is crocheted in spirals. In the 2nd round a firm stitch is crocheted in each stitch of the preliminary round. This is repeated four times, the last round is finished with a warp stitch.

Finally, **decorate** each tea light with a daisy flower.
