

Bilderrahmen mit Ballerina-Motiven in Shabby-Chic Stil

Instructions No. 949

My look looks noble and graceful. The motifs of the ballerina from Straw silk paper are shown on Stretched Canvas and take you into a graceful world.

Remove the motifs from the embossed cardboard. Also cut the motifs from Straw silk paper and glue them on the Stretched Canvas with Napkin varnish. Take the stamp and wipe lightly over the edges and the embossing. Glue the motifs on the Stretched Canvas. Again, stroke the stamp over the edges of the frame and the motifs. Fix the Stretched Canvas with Effekt - Glue in the frame cutout. Glue some butterflies on embossed cardboard, cut them out, bend the wings up a little and glue them on the frame.
