Birdhouse with crackle lacquer

Instructions No. 2016

Difficulty: Advanced

Working time: 4 Hours

Hang this beautiful bird house **in your** garden or on your balcony and watch the cute little birds as you build a home for your bird children in your great house. This house is equipped with a combination of **Napkin technique**, **Kraklierlack** and **milled roof an** eye-catcher and offers you creative possibilities in design.

This is how you design the beautiful bird house:

First paint the **birdhouse with Handicraft paint**. After drying, brush the middle part with Crackle varnish it and let it dry. Applying the **crackle lacquer** creates a fascinating tearing effect, which gives the bird house a special antique look. Afterwards with the paint Handicraft paint Ivory

Straw silk paper Tear out the desired motifs carefully and glue them with **Napkin varnish** on. To do this, coat the area on which the design is to be placed with Napkin varnish, , lay the design on with and coat it again with Napkin varnish.

Transfer any pattern or motif from the Stencil pencil to the roof and trace it with the engraving pen. **Important**: In between layers you have to remove the milled paint milling head from to ensure that the engraving works properly

Finally, coat the entire birdhouse in two layers with **weatherproofing impregnation.** Allow a drying time between the layers.
