

Buttons from shrink foil

Instructions No. 1473

Difficulty: Beginner

Working time: 1 hour

The cute buttons made of shrink foil do not look great only , but are also simply made.

templates.

n will shrink up to 50% later.

ie film in front of you so that the rough side is on top, because this is the template with a pencil. When this is done, you can paint the motif

tif is cut out.

-out motif is placed on a baking tray covered with baking paper with al for the film to partially curve during the shrinking process. When it is he oven.

inking. However, you can easily smooth them out again with an iron

is still attached to the back of brooch pins with a little double-sided
