

# Candlestick with natural stone mosaic

Instructions No. 2493

Difficulty: Advanced

Working time: 2 Hours

The **art of laying mosaics** has a long tradition. In this process, small tiles are glued to a substrate and they create a beautiful pattern. In our idea, **natural stone mosaic** was used, which gives the artwork a beautiful natural look. The stones are unique because they are naturally a little rougher and more uneven and therefore make great unique pieces.
