Instructions No. 1678

🔪🔪🔪 Difficulty: Advanced

🕒 Working time: 30 Minutes

X-Mas is so beautiful! Enjoy the **handicraft fun with Napkin technique** and design cardboard letters to a timelessly beautiful Christmas decoration.

Primer

In order to show off the napkin motifs to their best advantage, the letters are primed in two different colours: in addition to classic **white**, the **Christmas colour** is mixed **from** the colours Carmine Red and aubergins.

The large areas of the X are painted red, the sides white. All other letters are primed white or red on the sides.

Napkin technique

Now select napkin motifs, try out the effect on the letter in advance. Cut the individual motifs to size, remove the lower white paper layers from the napkin parts and apply the napkin with a brush and **Napkin varnish** the white areas of the letters.
