Colourful birds from felt

Instructions No. 2139

Difficulty: Beginner

Working time: 3 Hours

In spring, things can be colourful – and these cute little fellows are just what you need. The colourful felt birds are easy to make with the free template and can then decorate shrubs, gifts or windows.

How to make the colourful felt birds:

1. Print out the free template and transfer it to the felt with a pen. Cut out all the motifs.

2. Sew two of the large felt pieces per bird together with needle and thread. Leave a hole at the bottom.

3. Fill the birds with stuffing wool.

4. Draw two beads on a sisal cord and knot the ends. Sew the cords in at the bottom to be the legs and close the opening.

5. Glue on the beaks, wings and wiggly eyes with craft glue.
