

Confirmation Menu Cards

Instructions No. 2744

Difficulty: Beginner

Working time: 2 Hours

Special cards for a special occasion - With little material you can create great menu cards for the confirmation yourself. The personalised candles are a special highlight.

Make beautiful menu cards

Use the kraft card menu cards as the basis for the card. To refine them even further, simply follow our example and design the card with different papers, pens and a punch. The individual elements are attached with VBS craft glue or 3D adhesive pads.

The candles are designed with the help of tissue paper.

To attach the candles to the cards, simply punch two holes with the hole punch. Then just thread the raffia through them and tie the candle with it. Done!
