Difficulty: Beginner

Working time: 3 Hours

Craft this great **Easter shelf** for your home. It offers plenty of space for your **creativity** and can be customised in shape and colour according to your wishes. This way you have a beautiful colourful shelf with all kinds of creative **cards, pennants, sayings, handicrafts** on your wall or windowsill to look at.

This is how the creative shelf is made:

Place the **boxes** on the **papers** you want to have as a background. Transfer the size to the paper and cut out the squares.

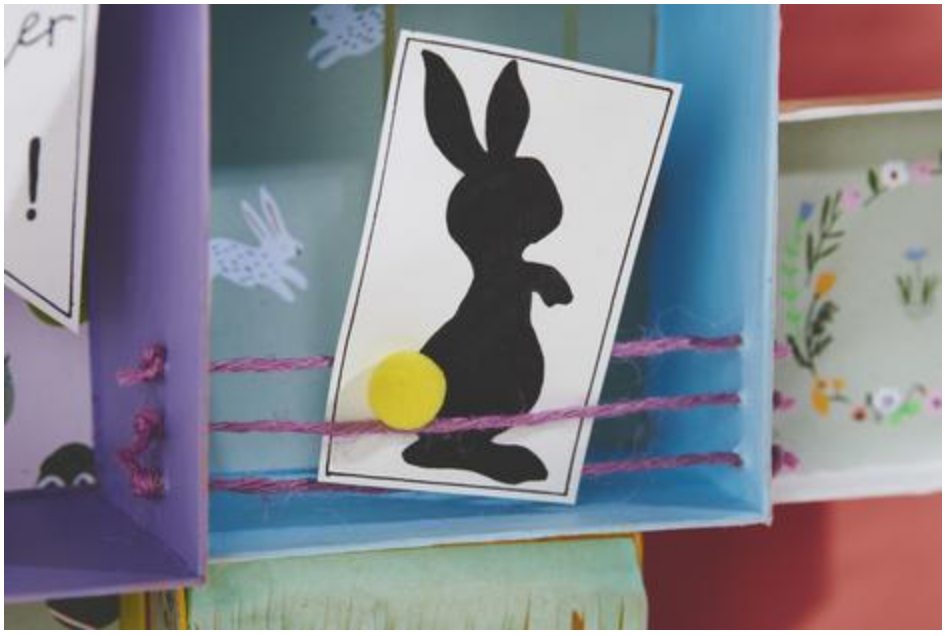

Before you glue the background into the boxes, first design the boxes in your desired colours to match the

respective papers. Use **craft paint** for this.

Now glue the boxes together in the way that suits you best on your wall or windowsill.

Now you can decorate the boxes as you like with **tapes, sayings, eggs, flowers, pompoms** and **birds** and create a little Easter scene. You can also use the shelves as a creative place by placing finished handicrafts, sketches and much more on the shelves bit by bit, filling them up more and more over time. This way, you have a great place where all creative projects can come together and be viewed.
