Creative Set Beaded Flowers

Instructions No. 626

Create beautiful pearl flowers quickly and easily!

And this is how it works

Thread beads on a star wire at will and bend an eyelet at the end of the wire with the jewellery pliers.

Now thread beads on the next star wire and thread the end of the wire into the eyelet of the first bead wire and connect it with an eyelet

Do the same with the other star wires.

Finally, shape the petals.

Now place two Pearl Stars on top of each other and tie them with fine wire or glue them together.

You can now hang Organza ribbon up the finished pearl flowers

Tip: The pearl flowers are also beautiful to Brooch wear. To do this, simply attach a brooch pin to the back of the pearl flower
