Crocheted mini dolls

Instructions No. 2689

Difficulty: Challenging

Working time: 6 Hours

Are you looking for cute mini crochet dolls to give away and love or decorative guardian angels for your Christmas tree? Then these little dolls are just the thing for you.

Crochet tutorial for 1 little doll

Each doll consists of the following parts:

- Crocheted cap,
- wooden balls for head,
- feet and nose,
- crocheted dress and a crocheted ribbon
- crocheted ribbon, which will later give hanging ribbon and legs.

You crochet with **needle size 3**, with air stitch, chain stitch and sticks.

Air stitch: take the envelope and pull the yarn through the loop.

Chain stitch: insert the needle into the stitch, take a cover and pull the yarn through the two loops

Chop stitch: Take yo, put the needle in the stitch, get the yarn through the stitch. This way you will have 3 loops on the needle. Take yo and pull through the first two loops, take yo again and pull through the next two loops.

Dress crochet

First, start crocheting the **dress**. This consists of a circular area, which is made of air stitches, chain stitches, solid stitches and sticks.

To begin, form an **initial loop** from the yarn: double the end of the thread, form a "small pretzel", pass the crochet hook, pull the yarn through and tighten. Crochet 5 air stitches.Then go into the first air stitch with the needle and crochet a chain stitch, forming a circle.

Then crochet in rounds as follows:

1st round: crochet two air stitches to come to the height of the sticks. **Important: these do not count as sticks!** Now crochet 11 stitches in the circle and end the round with a sl stitch.

2nd round: Crochet two air stitches to come to the height of the sticks. Crochet a total of 22 sts in this round. To do this, crochet 2 stitches in one stitch. End the round with a chain stitch.

3rd round: Crochet two air stitches to come to the height of the bars. In this round crochet 33 sticks. To do this, crochet 2 stitches in one stitch and 1 stitch in the next stitch alternately. End the round with a chain stitch.

4th, 5th and 6th round: Crochet two air stitches to come to the height of the bars. Crochet +10 sts per round. Always start with 2 sticks in a stitch and increase the single sticks per round. Say: 2 single sticks in the 4th round, 3 single sticks in the 5th round and 4 single sticks in the 6th round. End the rounds with a sl st.

Cap crochet

As with the dress, start by forming an **initial loop** from the yarn : double the yarn end, form a "small pretzel", insert the crochet hook, pull the yarn through and tighten. Now crochet 6 chain stitches. Then insert the hook into the first chain stitch and crochet a slip stitch to form a circle.

In the next step, proceed as for the dress from round 3; crochet two chain stitches to reach the height of the double crochet. Alternate 2 double crochets in one stitch and 1 double crochet in the next stitch. End the round with a slip stitch. In the next two rounds, increase the single crochets to 2 and 3.

Finish dolls

Crochet a string of air stitches from the yarn. Our string is about 70 cm. Lay this dopellt. Now pull the hat, the head, the dress and a 15 mm hemisphere through in turn. The small ball serves so that the little dress does not slip. Partly the string will be difficult to pull through. In this case you can use a bamboo skewer. After that, the wooden balls for the feet are pulled on and the ends of the string are knotted. Finally, the wooden hemisphere for the nose is glued on, done!

Must Have

Rico Design Creative Cotton aran, Silver Grey

Weight: 50 g
Running length: 85 m

2,99 € (1 kg = 59,80 €)
