Decorative birdhouses for spring

Instructions No. 3192

Difficulty: Beginner

Working time: 3 Hours

Do you long for a cheerful splash of color in your home? Create unique, colorful birdhouses! Such colorful decorative projects are not only only a real eye-catcher, but also a wonderful way to add a personal touch to your surroundings. The following steps provide you with simple instructions for a creative DIY-Project that will delight young and old alike.

Start by painting all the wooden parts of the birdhouses in different colors. Use colors according to your taste. Whether bold tones or delicate pastel colors - be bold and combine whatever you like.

Assemble the birdhouses

Once you have designed the birdhouses in your personal spring colors, there are various options available to you to display them effectively. You can hang them directly from a decorative branch using the hanging ribbon provided. Or you can glue the finished birdhouses onto spools of thread to use them as decorative standees in your home

(simply cut off the hanging ribbon).

Add the finishing touches to your colorful birdhouses by decorating them with little bees and flowers.
