

# Decorative moravian star pendant

Instructions No. 2898

🧵🧵🧵 Difficulty: Beginner

🕒 Working time: 2 Hours

These decorative Froebel star pendants are the perfect addition to your decorations at Christmas time. The pretty stars can be used as Christmas tree decorations, window decorations or gift tags.

Fold the moravian stars according to the instructions. You can find them on the packaging. All stars have 3D tips on both sides.

Next, cut a piece of cord from each star, thread it into a sewing needle and pierce it vertically through the star.

Thread a 6 mm wooden bead, a 4 mm wooden bead and then a tassel onto the bottom of the cord. Knot the cord at the tassel and pull it backwards through the two beads. Cut off the excess end.

At the top end, string 2x 6 mm wooden beads and a 4 mm wooden bead.
