

Design a spring scene

Instructions No. 2982

Difficulty: Beginner

Working time: 5 Hours

This sticker motif will make your spring decorations unique, enchanting and a real eye-catcher on any windowsill or table!

First, paint the wooden silhouette and the plug-in motif with the recommended or your own choice of colours.

Decorate the pegboard motif and the cattle disc with some moss. Now glue them together slightly offset and attach the sheep to them.

Now dab the bottles with frost effect paint. You can use a sponge and some masking tape to help you do this. Use the masking tape to cover the areas where you don't want any paint to go.

Now attach the bows to the glass vases and paint the sprinkles in the colours of your choice. Finally, stick them onto the bottles.
