

Design-Keilrahmen “Jahreszeiten” mit Knöpfen

Instructions No. 646
Difficulty: Advanced
Working time: 45 Minutes

The four-part design-Stretched Canvas is perfect for representing different seasons. Colourful plastic buttons are Paper-combined with punched and embossed buttons.

Here's [how it works](#)

- Prime the four Stretched Canvas in ice blue.
- After drying, wipe the Ink Pads sharply over the edges with the , then pick up some stamping ink with a Paint sponge and wipe the corners.
- Connect the four parts of the stretcher frame to the bars from behind.
- Use the template to make a Stencil for the tree trunks, cut them from bark and glue them with hot glue.
- For a 3D effect, glue another piece of bark onto the tree trunks.
- Glue pieces of bark behind the open square in the middle until it is filled in.
- Use the button puncher to punch out buttons from Coloured paper in the colours of the seasons and glue them overlapping in the shape of a tree crown.
- Glue plastic buttons in matching colours over the paper buttons.
