Dried flowers wall decoration

Instructions No. 2218

Difficulty: Beginner

Working time: 1 hour

Many impressive decorations can be conjured up from dried flowers without further ado. This pretty metal ring was also decorated with some dried flowers. The result is a filigree wall decoration.

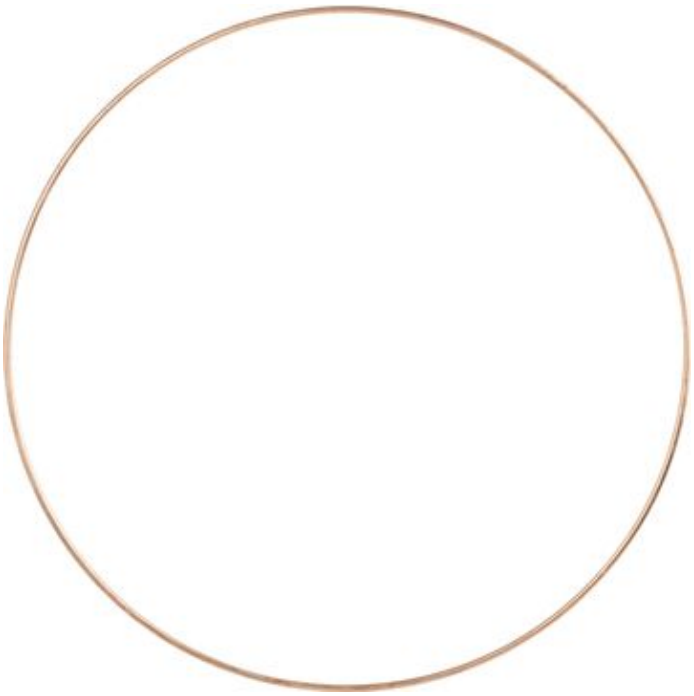

It's that simple:

1. Knot one end of the sisal cord to the metal ring and wrap it around the centre of the ring several times. Stretch the cord over the ring and wrap it around the ring. Repeat the process. Knot the end of the sisal cord.

2. Weave individual filigree dried flowers into the cords.

3. Also knot a piece of sisal cord to the metal ring for hanging.

Must Have
