

Farbenfrohe Rosetten auf Filz und Bändern

Instructions No. 361

🧵🧵🧵🧵 Difficulty: Beginner

🕒 Working time: 20 Minutes

Colourful rosettes made of Felt and colourful ribbons are the ultimate summer trend for girls big and small! Whether on the blouse, the lapel or the pocket, they cut a good figure everywhere and are simply copied.

It's that simple:

Cut the tapes into four pieces of equal length and superimpose them in a star shape.
Now fix the bands in the middle with a few stitches. Fold the strips after inside and sew the ends in the middle.
Then cut three circles or flowers from Felt and sew them in the middle of the ribbon flower. Finally, decorate the flower still with buttons and sew the brooch needle on the back - ready is Your top current summer-Brooch.
