Felt Easter bunny with fanny pack

Instructions No. 3028

🖌🖌🖌🖌 Difficulty: Beginner

⏱ Working time: 2 Hours 30 Minutes

What do you think of our **cute bunny**? It's easy to design with **felting** and our **templates**. And you can keep a nice greeting or a gift for a loved one in the fanny pack. Beautiful as a decoration, as a table centrepiece and as a small present at Easter time.

This is how you make the bunny:

Transfer the **templates** to the **felting** and cut out all the parts neatly with sharp scissors. It is best to use a sublimated pencil for transferring, as this can be removed afterwards with a damp cloth.

Glue the inside of the ears with hot glue. Sew the pocket together using the slip stitch/application stitch.

This is how the slip stitch works:

For the slip stitch, work from right to left. Insert the needle at the point where the holes have already been made, move to the right to the next hole, insert again and cut out vertically at stitch height. Your thread is under the tip of the needle. Repeat this loop stitch to the right with the next and subsequent holes.

Glue on the **nose** and colour in the eyes. Then decorate the bunny with a **flower** (here a ranunculus).

If you want your bunny to stand upright, you can build him a stand from a **round bar** and a **wooden disc**. To do this, glue the round bars to the centre of the wooden discs. Then fix the bunny to the stick with hot glue.
