Instructions No. 2109

Difficulty: Beginner

Working time: 1 hour

These cute **Easter bunnies** adorn every **Easter table** or windowsill. You can also fill the bunnies with a little something for your loved ones. What do you think of the idea of placing a bunny with an **Easter surprise** on every table?

How to create the bunnies:

Transfer the **templates** to the textile felt and cut them out.

For one rabbit, place two pieces of rabbit on top of each other and stitch them together with embroidery twist on the back and upper chest.

Glue the heads together with craft glue. It is important that you leave out the ears. You can bend these as you wish.

Open the resulting rabbit and glue it to the felt base.

Finally, glue a **pompom** as a stub tail with hot glue.
