The felted egg warmers are a great eye-catcher on your breakfast table. The colorful felt hoods keep your breakfast eggs nice and warm. Create equal bamboo egg cups,too, suitable to the egg warmers!

Felting - modeling virgin wool with a needle

For the idea you need colored fairy wool and a dry felting needle. You felt on a soft flat surface, better yet, on a felt mat.

Take a "handful" of wool in your hand, roughly shape it into a ball and place it on the felting mat. The felting needle consists of several needles, each of which has small barbs. By poking the felting needle into the wool again and again, the felting process begins, and at the same time you felt the wool "into shape".

Take the wool in your hand and model a small hood in your hand. This form will now felted with the needle, the felting creates the necessary strength now. Place small balls of wool of a contrasting color on the egg warmer and felt them into small dots.

Explore the relaxing dry felting technique with this idea and create more egg warmers!

Matching you can paint bamboo egg warmers with some craft paint - your new highlight for the breakfast table is ready!
