Gift bag Jungle Party

Instructions No. 2531

Difficulty: Beginner

Working time: 1 hour

Your child wants a jungle-themed birthday party? Then matching gift bags for the children should not be missing. These can be filled with small gifts and treats and taken home later as souvenirs.
The give-away bags can also be wonderfully personalised with small letter beads. Each child receives a bag with their name on it.

Decorate gift bags

The kraft paper gift bags are already finished and just need to be folded.

Print out the template for the leaves and transfer it to clay paper in two different shades of green. Cut out the leaves, fold them lengthwise in the middle and stick them onto the bags with craft glue.

To personalise the bags with the children's names, stick the letter beads on with craft glue too.

Glue the tropical stickers to kraft paper and cut them out close to the edge. Shade the edges of the kraft paper with an ink pad. Stick the stickers onto the leaf stems with craft glue.

If you wish, you can also shade the edge of the packaging lid with the ink pad.

Finally, fill the bags as you please.
