Gnomes made from cardboard boxes

Instructions No. 2935

Difficulty: Beginner

Working time: 2 Hours

These cute pixies are quickly designed and can also be filled. A wonderful gift idea or also as a decoration at Christmas time. By choosing the colours used, the gnomes can be designed according to your wishes.

How to make the cute Secret Santa boxes:

Paint the **boxes** as you wish with craft paints. We decided to use the **VBS craft paint set** "Natural Harmony" for our Secret Santa. Paint different patterns on the hats, e.g. dots with the Posca-marker or stripes with the craft paints.

The fir can be decorated with the **decorative snow liner**. Glue a pompom to the top of the hat if desired.

Glue a**wooden hemisphere** with handicraft glue to the bottom of the cone as a nose. Cut out triangles from **fairy wool** and glue them under the nose as a beard using handicraft glue .

Now the boxes can be filled and decorated as desired.
