These **cheeky monsters** are not only a great **window decoration** for **Halloween**. With our **free templates**, young and old alike can easily make the monsters and decorate their windows. All you have to do is cut them out and cover them with vellum paper - and the little monsters are ready to go.

Let's go! This is how the monsters are made:

You can easily download our **free templates** for the cheeky monsters. then transfer the templates onto the black **craft cardboard sheet** and cut everything out. Now you can stick the monsters on and hang them up.

Another option is to transfer the motifs twice and cut them out. Then stick them between the two motifs **vellum paper**so the light shines through the colored papers and the monsters appear to glow brightly.
