

# Hedgehog from cones and salt dough

Instructions No. 2590  
🔪🔪🔪🔪 Difficulty: Beginner  
🕒 Working time: 2 Hours

This cute **autumn decoration** is an eye-catcher in your home. These **hedgehogs** were formed from **pine cones and salt dough** and then painted. With our instructions, you can easily make these hedgehogs and conjure up a beautiful decoration. This idea is also perfect for spending some creative hours with children.

## So formen Sie die niedlichen Igel:

- First, protect your workspace from contamination with a **craft mat**.
- Mix the **salt dough** with water to a kneadable mass. First roll one ball per hedgehog. Then shape it into a cone. Press a pine cone onto the thick end of the cone. Shape the snout of the hedgehogs. Now leave your hedgehog family to dry for several days.
- Then you can paint your hedgehogs as you like with **craft colours**. Glue on the **wiggly eyes**.
- Glue them onto the **tree discs** with **moss**, **decorative willow** and autumn leaves.
