

Holzkorb im Landhaus-Stil

Instructions No. 1006

This romantic wooden box is completely in country house style. The desired used-look meets here with the charm of Jute-Cord. The rustic detail is the absolute eye-catcher. Whether as individual Gift wrapping or as decoration in your home, you will have your joy with this basket.

And so simply it goes:

Prime the basket in white and let it dry.
Glue the jute cord with hot glue around the heart recesses and wrap the jute cord around the carrying handle. Fix the beginning and end with hot glue.
To get the accents, pick up some dark paint with the brush and draw irregularly over the edges.

This idea is timelessly beautiful!
