

Krabbeldecke

Instructions No. 631

Difficulty: Beginner 🍴🍴🍴🍴

Working time: 45 Minutes

The only best for your baby! The crawling blanket with fox and funny raccoons is a cuddly base - perfect for the first play

Here's [how it works](#)

Cut a piece from the striped fabric measuring 83cm x 115cm.

Then cut a piece from the patchwork fabric in the dimensions 59cm x 62cm

Then lay the volume fleece double and lay the two fabrics with the volume fleece right sides together and sew the layers together. Leave a turning opening on one side. Then turn the blanket, iron and sew the turning opening. Now carefully topstitch the large motif in the longitudinal and cross seams and make a few small backstitches at the beginning and end of the seams

This idea is timelessly beautiful!
