

# Lantern made from wooden and acrylic blocks

Instructions No. 3383

Difficulty: Beginner

Working time: 45 Minutes

Imagine how you can bathe your home in warm candlelight on a cosy evening and be close to nature. With our step-by-step instructions, you can create a **unique wind light from wooden and acrylic blocks** that not only creates a cosy atmosphere, but is also a real eye-catcher. This DIY idea combines natural elements such as **pressed flowers** with the modern elegance of acrylic. Let your creativity run wild and bring stylish lighting accents into your home!
