Lanterns with sisal + glitter decoration

Instructions No. 1888

Difficulty: Beginner

Natural-looking lanterns with an effective glittering look are quickly made by yourself. Filled with LED tea lights, the glasses are the ideal new contemporary garden decoration.

Crochet around the glass

In this idea we have crocheted the **storage jar Livan**. The following instructions apply to this glass:

1. Row:Cast on 30 air stitches, additionally 3 spiral air stitches
2. Row and the further rows: 30 bar meshes each - always stitch into the back mesh link, additionally 3 spiral air meshes per row

Crochet until the desired height is reached. Now the crochet piece is put around the glass, the ends can be sewn together with the thread end. For the fixing you can also simply **Handicraft glue** use

Decorate with glitter ribbon

Glitter ribbon is a highly topical fascinating craft and decoration material this season. From the glitter ribbon a strip in the size 25 x 2.5 cm is cut and attached to the glass Handicraft glue . A sisal cord wrapped around the glass fits perfectly. This can also be easily fixed to the glass with Handicraft glue banz.

Be happy about the new lanterns. Also ideal as a small present!
