Marbled Deco Feathers

Instructions No. 1542

Difficulty: Beginner

Working time: 30 Minutes

Are you looking for new, trendy accessories? Casting fine decoration-Feathers from the novel creative casting compounds for the ceramic look. The Feathers become with marble effect on every Gift wrapping, in your table decoration to special eye candy.

Feathers personally cast

For the decoration-Feathers 1 part creative casting slip is mixed with 3 parts water, processing time approx. 10 minutes. The mass is then filled into the casting mould.

Now trickle into the moist casting compound in your personal favourite colour Colour Concentrate. This is stirred very roughly into only , thus creating the great marble effect.

After approx. 20 minutes the moulded piece is sufficiently dried and can be removed from the mould. Casting powders with ceramic optics have different drying and curing times.

After about 2 - 3 hours the fine Feathers are dry enough to be designed with a Permanent marker with handlettering or with Handicraft paint further .
