

# Maritime houses

Instructions No. 1869

🔪🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 1 hour 30 Minutes

This maritime decoration makes you want to "go to sea"! The houses were designed with many small maritime treasures and conjure up a cosy atmosphere in the living room. Start tinkering right away and get a little holiday feeling at home.

## Small house

First cut the **motif photo cardboard "Sailing boats"** with a Cutter so that it fits inside the house. There it will be **Handicraft glue** glued to the rear wall. Paint the edge with **Handicraft paint** in the colour **blue-green**. Let the paint dry well. In the meantime, glue something **double-sided Adhesive tape** in the middle around a **Glass for tea lights** and attach **sisal cord** at this point. Glue on using hot glue or a Handicraft glue spreader

Fill in the VBS **Glass bottle** with cork something **Sand** Put a message in a bottle, stick a **maritime sticker** on it and wrap a **sisal cord** around the neck of the bottle. On the floor of the house you can put some shells **and Sand** distribute as desired and fix with Handicraft glue if necessary. Thread the pennants **onto** the sisal cord, label them with **Marker** and glue one spreader to each end of the Cord hot-melt adhesive The finished Chain one is also glued to the edge of the house with some hot glue. Now paint a fish with **Viva Decor Maya Gold & Orange-Gold**, one with turquoise blue **aVBS Handicraft paint** and leave one in white. Glue about 15 cm of the sisal cord to each fish with hot glue, knot all ends together and fix the whole thing to the house

## Big house:

For the big house, first place the motif photo card **"Maritime Stripes"** with a Cutter tailored. Place the **"At Stencil the Seaside"** in the desired position on the photo card. Tip: To prevent it from slipping Stencil while painting, moisten it in advance with a little **spray glue**. Use a **sponge** to apply Viva Decor Maya Gold & Orange-Gold on. Then remove Stencil them and clean them immediately with clear water so that you can enjoy yours for a long time to come. As soon as the paint has dried, you can stick the cut photo cardboard to Handicraft glue the back wall. Fix the **fishing net** in the gable with some hot glue, pull it a bit apart and decorate it with some scattered pieces **and** shells.
