Mini-garden in terracotta trio

Instructions No. 1524

Difficulty: Beginner

Working time: 30 Minutes

The mini garden trio is a great eye-catcher in the garden and on the balcony. With only a few simple steps you can create your own miniature world.

Terracotta-pots as basics

The basis for this craft idea are 3 Terracotta-pots in different sizes. Two pots are filled with topsoil or with Flower arrangement foam , the third one is broken in such a way that the bottom and a side wall form a "tub". Decorative accessories such as small artificial plants, mini garden fences and other miniatures will be prepared

All surfaces are first **sprinkled** with light-coloured decorative gravel. Now all accessories are arranged into small mini-worlds, fixed with hot glue. Finally, the edges of the pots are covered with Lace ribbon

Small fragments of the broken pot give the arrangement that certain something.
