Working time: 8 Hours

Nativity ..for many people, Christmas is just one of them. The pretty scenery often finds a place on a chest of drawers, the windowsill or on the table. For those who find the coloured ones too colourful Nativity , we have the perfect instructions: a minimalist nativity scene with a simple look.

Building a crèche

Download the **free template** and cut the **square timbers** according to the template. The edges should be **Sandpaper** can be smoothed out. The woods are glued together with wood glue or **hot melt adhesive**. As soon as the glue has dried, the crib is sprayed with **Edding Permanent Spray**. Saw the plywood panel to fit the size of the nativity scene. If you wish, you can also colour it. Place the crib on the plate and fix it with some **hot glue or** wood glue**.**

Designing figures

Paint the lower part of the **wooden figures** and the **large one with Wooden ball**white **Handicraft paint**. Let the paint dry completely. Glue the two Wooden balls together with **hot glue** to create the baby Jesus

Accessories

Form from **Wood wool** a little bed for Jesus and put him in it. Three shepherd sticks are formed from **aluminium wire** and then glued **to the** figure cones with hot glue. Saw pieces of different lengths from a square wood, always twice the same size, except for the middle, and glue them together to form a house. Cut out the **template star** and transfer the star with a black **Marker** on the wood.
