Modischer Schal für draußen und drinnen

Instructions No. 1051

Discover the fashionable scarf in great colours for autumn and winter. It lies elegantly around your neck and can be worn in several variations due to its length. Because it is slim, it can be worn well in the office or at home without getting too warm. Well suited for men.

Our tip:

Our Regia wool is also very suitable for 1 pair of socks. You could knit these to match the scarf.
