My Frog Prince

Instructions No. 488

Difficulty: Advanced

Working time: 40 Minutes

A great gift for your loved one: The cute Frog King is made of many individual parts from FIMO which are then put together. This is much easier than it looks.

Material requirements:

Apple green: 2 strips for the body / 1 strip for the head / 1/2 strip per leg / 1/3 strip per arm
Gold: 1/4 strip for the crown / 1/4 strip for the ball / 1/2 strip for the base plate
Something Red for the lips
Something Black and white for the eyes

Instructions:

For all parts of the frog first from the required quantity FIMO form small balls, roll them for arms, legs and crown to Roller The basic shape for the frog's mouth is a heart.
Use the balls and rollers to model and assemble the different parts. Smooth the transitions with the modelling tool
Two fine strands of gold-coloured FIMO twist them together and put them around the crown.
Model small depressions in the head and insert the eyes.
Roll out a ball to the appropriate size for the base plate.
Harden the finished frog and base plate in the oven at 110°C.
Glue the base plate and the frog on the base and paint them.
After drying, place the glass ball on the frog and glue it in place.

Finally paint the kissing mouths on the glass ball with Porcelain Painter.
