

Paper scooping: Ideas with handmade paper

Instructions No. 2013

🔪🔪🔪 Difficulty: Advanced

🕒 Working time: 2 Hours

From the old, create new greatness. **Making paper is** an ancient art of **papermaking**. You can also easily do this at home. Papercrafting is a great DIY project where you can get amazing results. Below we show you three projects that you can realize with **hPaperandmade** and that look gorgeous.

General procedure for Paper ladle:

Tear waste paper **such as** newspaper or printed copy paper into pieces and cover them with warm water in a bowl. Let it soak for about 1 hour and then process it with Paper a blender to a mass that is as even as possible. For the wing trailers we have added some glitter to the mass

Use a larger tub. This should be large enough to allow the paper scoop frame to fit **inwell** and also to swivel a little. Fill it with water about 10 to 15 cm high, add the paper pulp and mix it a bit

Now dip the paper scoop frame into the water, move it slightly back and forth and lift it slowly and straight up out of the water. Let the frame drip off over the tub for a few minutes

On a table, place 2x Textile felt and 2x Cotton fabric (about the size of the frame)

Remove the outer wooden frame of the scoop and carefully place one on the wet scoop. Cotton fabric Now drop Paper. it onto one and lift off the sieve Textile felt of the scoop. At the lower idea with the packing you put on additionally dried leaves

Put the second one Cotton fabric on the one on Paper, top of the second with the Textile felt. help of a rolling pin or a bottle and roll everything well.

Notebook with embossed handmade Paper refinement:

Peel off the top Felt and the top fabric and turn it over onto the texture shape. Roll it again (with all layers of fabric and felt) short. Then remove the upper layers again and let everything dry well

Prime the **papier-mâché book** with in pastel olive Handicraft paint green. Paint **Wooden balls** in Berry and Grey Brown. cut 2 pieces of satin ribbon as bookmarks and glue them into the spine of the book. Thread the painted beads on

Tear out the scooped out frayed **at the edges Paper** and glue it onto the Handicraft glue book.

Paint a rubber band with **Textile paint** and let it dry. Thread one on Pearl and tie it around the book.

Angel wings-Decoration pendant create with handmade Paper:

Pull off the top Felt and the top fabric and let it dry Paper well

Download the **template** and cut out the wings from the scooped one using the template. Set beautiful accents with glitter liner and punch out stars. Attach the wings and stars to the crochet yarn with Handicraft glue . At the top we Ribbon have tied one Pearl on.

Decorate packages with handmade Paper with flowers & leaves:

Pull off the top Felt and the top fabric and let it dry Paper well

Paper tear or cut it into the desired size and stick it on the tag and bag Handicraft glue . Attach the tag to Ribbon the bag.

The gift bag makes every presentee happy and is a loving wrapping for every present. Whether for a birthday, birth or Christmas, embellished with additional Christmas accessories - the packaging always looks good.

Jewellery from handmade Paper:

Peel off the top Felt and the top fabric and let it dry Paper well

Punch out the finished Paper one with the **motif punches** and arrange your jewellery according to your taste. Now bring **stripes**, **Ear hole hooks** and tassels. You can also spice up your jewellery with more pearls or other accessories - here you are allowed to do what you like

Finally, you can apply one as Napkin varnish protection.
