

Rabbit garland

Instructions No. 3012

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 3 Hours

Hop, hop, who's hopping? This cute **bunny garland** is a great decoration for the Easter season. With our **free template** and just a few materials, you can conjure up a whole bunch of bunnies that will look great on a chest of drawers, window sills or even on the table.

It's so easy to make the bunnies:

Print out the **templates** and cut them out. Transfer to the **craft cardboard sheet**. The bunnies must be painted with their feet together to create a continuous row. Fold the template along the dotted line. Fold back the template for the first and last bunny to create a round foot. Cut out the row of bunnies.

Transfer the templates for the bows, inner ears and the heart to your favourite paper, in this case the **"Dots"** paper sets, and cut them out. Glue to the bunnies with handicraft glue.

Glue on the **felt ball** for the stubble tail using handicraft glue. Draw on the face with the **Posca marker**. Fold a line between the feet of each bunny and then crease.

Tip: Designed from both sides, the row of bunnies is a great eye-catcher on the windowsill - from the inside and outside.
