

# Romantisches Windlicht als Gartenstecker

Instructions No. 900

Difficulty: Beginner    

**This Wind light invites you to a garden party! Stand on a Plugs, which you can fix in the ground, it will be a real highlight in your garden on warm summer nights**

And it's as easy as that:

Wipe with a Paint sponge Handicraft paint in the colour white from inside and outside on the metal of the lantern.

After drying, design the Wind light with the Pearl Pen. Set accents around the motifs and finally decorate it with satin ribbons.
