

**Instructions No. 2666**

🕒 Working time: 8 Hours

A miniature Christmas-themed desk setup. The background is a pink wall with a white baseboard. On the wall is a small blue door with a silver handle and a white mailbox. A small blue ladder stands against the wall. On the desk, there is a small white table with a snowman card, a sign with a poem, and an easel with a Christmas tree drawing. To the right, there is a jar of paintbrushes and a jar of colored pencils. In the foreground, there are several sheets of paper, including a large pink one and a white one with a snowman drawing.

Paint the **wooden parts** in the colours of your choice.

Glue the **peddigrée cane** base as a table top onto the large wooden spool.

Shorten the **bamboo skewers** with the side cutters and paint them like crayons and brushes.

Cut the painting palette out of cardboard, paint on blobs of colour.

Place "pencils" in the upturned thimble on the large table.

Decorate tables with the painting utensils and some "painting sheets".

Transfer motifs onto the painting boards.

Print out the letter and sign it.

And the painting fun for the whole family can begin.
