Serviettentechnik Anleitung - Herz-Dosen

Instructions No. 807

With little effort these pretty heart tins are created. Whether for Mother's Day, Valentine's Day or just in between - this is always a real heart affair

And so it goes

Primer the boxes and lids at the beginning with VBS Hobby Color in white. Then cut out the desired borders and motifs from Napkins and remove the two unprinted layers of paper

Stick the printed napkin motifs onto Napkin glue and let everything dry well. Use the VBS Napkins- Brush, this allows you to apply the optimal amount and minimizes the risk of wrinkles or cracks in the motif

Now just stick the Satin ribbon with tape-Ribbon around the boxes or lids and your beautiful gift boxes are ready!
