Working time: [3 Hours](#)

Decorate a beautiful tree for the **Christmas season**. Our instructions will show you how to sew **enchanted velvet stars** as pendants. They look very pretty and decorate your chest of drawers or windowsill, decorated on a Christmas tree.

This is how the stars are sewn:

Download the **design template** and transfer it to the fabric. You will need 2 per star **Fabric cuts**. We have used in our example Velvet fabric so that the stars are nice and fluffy

Place the **star cuts** right sides together and sew them together with a straight stitch. Make sure that you leave a turning opening

Turn your star around. You can easily form it Lace with a crochet hook, skewer or similar. Stuff it with **cotton wool** and then close the turning opening by hand, for example with the [Magic Sting](#)

Pierce the **decorationMetallic string** through a tip of the star and knot it to form a loop for hanging

Paint the **terracotta pot** with Handicraft paint in Aubergine and with a sponge dab a gradient of **Stardust** from bottom to top. Place the fir tree in the terracotta pot and decorate it with your self-sewn stars.
