

# T-shirt with napkin

Instructions No. 1618

Difficulty: Beginner

Working time: 30 Minutes

Embellish your T-shirts or other **clothing and accessories** with the popular **Napkin technique**. Very easy to implement and very decorative.

Cut **out** the desired motifs of **your Napkin** and remove the two unprinted layers of the napkin motifs.

Now you can place your motifs on your garment

This is especially easy if you [spray](#) the motifs with [temporary spray glue](#) beforehand. So nothing can slip anymore.

Paint over your motifs with [Napkin varnish for textiles and](#) your work is ready!

Must Have

[VBS Napkin varnish "Textile"](#)
