Working time: 1 hour

Here we provide you with simple, free **instructions** for a cute, cool **unicorn card** that you can use as an invitation card for a children's birthday party or for a first day at school! It takes very little effort to make and is sure to put a smile on children's faces.

## This is how you design the card:

First, print and cut out the **templates**.

transfer 2 x template A (ear) and 1 x template C (horn) to the **photo cardboard** and cut everything out.

Transfer template B (inner ear) 2 x and template D (mouth) 1 x onto the "**Paper-Mix Irisierend Crispy rainbow**" and cut out.

Glue the individual parts together with **handicraft glue** the colored inner ear parts onto the photo cardboard ears and glue alternating colored strips of iridescent paper onto the horn (template D) and then cut out the horn again.

**Stamp** the lettering "Invitation" on a piece of photo cardboard and cut it out. Cut out a slightly larger strip from the Paper-mix and stick the lettering onto it. Stick this to the top edge of the card. Then fix the ears, horn and mouth to the card using handicraft glue . Draw on the eyes, nostrils and mouth with a **black marker**.

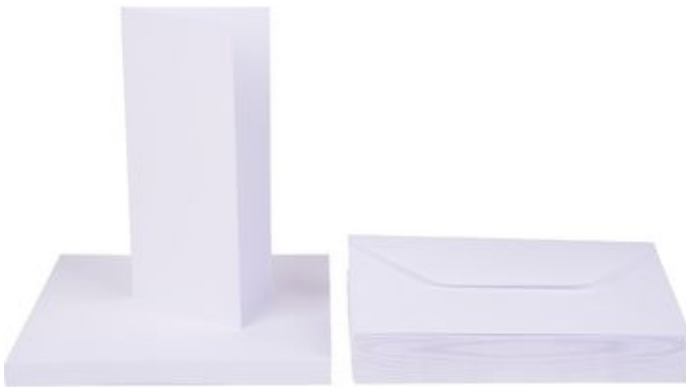

Use the **VBS craft punch "Flower"** punch out several flowers and stick two on top of each other. Glue a half pearl in the middle and then glue the flowers onto the card.

**Tip:** The flowers also make great table decorations.
