Valentine's Day Mug and Box

Instructions No. 2158

Difficulty: Advanced

Working time: 3 Hours

Love is in the air... Treat your loved one and give them a great **surprise**. The mugs look very beautiful and are easy to make. Later you can drink a beverage of your choice together out of the beautifully designed mugs and enjoy the day together.

This is how the cups and the box are designed:

Mug:

1. Punch out two hearts in different sizes from the **cardboard**. Stick them to the dust- and grease-free cups using masking tape.

2. Use the **bamboo skewer** to dab on the hearts dot by dot. Leave the painted cups to dry for 4 hours.
3. Then place in a cold oven and bake at 160 degrees for 90 minutes. Leave to cool in the oven.

Box:

1. Decorate the box with the "Dancing Hearts" **photo card** by cutting out a strip the same height as the lid and gluing it around the lid.
2. Use the **magnetic punch** to cut out small hearts from the plain cardboard and glue them to the lid of the box with craft glue as you like.
3. Use the Posca **marker** to write on the lid as you wish.
4. Place a sheet of **straw silk** in the box and put the cold cups inside.
