Verschneites Winterdorf

Instructions No. 1732

Difficulty: Beginner

Working time: 30 Minutes

Herewith we present the winning idea (3rd place) of our Christmas craft competition 2018 "Hauptsache selbstgemacht!

Our winner "MaroniKanoni" has built a small, snowy winter village on a Slate-Etagere created

As a basis are suitable all **Etagere**. It is up to you to decide what size your winter village should have. With a **Spatula** you can make decorative snow **on** the individual floors of the Etagere distribute. You can also spread some loose **Diamond-snow** on the freshly applied paste

For the little houses the paper kit "Lichterdorf" was used. In this set there are 4 houses and a church. The set also contains a roll of double-sided tip Adhesive tape.: With a folding leg the houses can be finished very well and cleanly

Finally, you can finish off small details such as bridges, **fence elements and small fir trees with a little** hot glue **on** Etagere arrange. Optionally, a **mini LED light chain** can be integrated

Here you can discover the two other winning ideas

- Christmas wreath with wool balls
- Christmas mice with sleigh
