ple in the Advent season. In this wooden picture frame a Napkin with colourful marketplace refined in 3D look with embossed metal. Catch the mood and design your picture in a few

ry.

from Napkin,. Spray the spray adhesive on the motif field of the frame and place the entire napkin motif on top. If necessary, carefully peel off and reposition the napkin motif.

Now you can fix the napkin motif with Napkin varnish .

Glue the large, central Santa Claus motif from Napkin onto a white primed aluminium sheet. After drying, cut out the motif, place the motif on the special mat and draw the contours from the front with the metal pressing tool.

Turn the sheet metal over and emboss it plastically from the back with the large metal pressing tool. Rework the contours again and again with the small ball.

Fix the finished motif with hot glue on the central Napkins motif.

Finally, pull the Ink Pads over the edges to emphasize them and fix the picture eyelets with the fitting pins.
